among others, illegal activity, breach of any of the Agreement's provisions, no trading activity, etc. InstaForex reserves the right to debit the compensated amount from the client's withdrawal amount.

Dormant Accounts:

All dormant accounts are subject to a monthly inactivity fee which is intended to offset the cost of maintaining inactive* accounts. This fee is waived for the first three months after a trading account becomes inactive. The fee of EUR 5 or its equivalent in the account's currency is charged monthly for the accounts with a positive balance inactive within 6 consecutive months. Monthly charges follow on each 1st day of the month until the balance is brought to zero.

*An inactive account is an account without trading activity for 3 consecutive months
